

NAME _____

CLASS: HVAC 1

STUDENT

Lesson Plan III

HVAC Level I

EPA

Type II

MATERIALS

- Mainstream Study Guide
- Mainstream Study Disk

PREPARE

- Study the objectives for the lesson.
- This lesson concentrates on the Type II certification of the EPA Section 608.
- The Quick Study is an excellent reference to terms in this book.

BEGIN

- Read pages 9-13

ASSIGNMENTS

- Complete the Lesson Type II Review Questions in handout.

ASSESS

- After completing this lesson, ask your instructor for the assessment information, how it will be graded and what the score value will be.
